There ar now three large factories, in Philadel phia, Chicago and St. Lonis, whiel make all sorts of rods, and there are as almost influite number of smaller concerns. We manufacture a great deal for Mexico, South America and the Wesludies. In the latter country they wan the best. I have had to farnish for these specially-constructed points of tips, heavily plated with platinum, whiel cost \$50 each. All the tips are supposed to be pointed with platinum or gold-plated, but very often they are simply brass, or covered with a yellow wash-that is the sort which the peddiers very olten sell. Good ordinary tips are worth, manufacturers' prices, \$t to \$2 each; iron rods about 8 cents per fast; copper rods from 6 to 20 cents; i oulators, or tammings, at the rate of trom 14 to 2 cents up to 15 cents per foot on the length of rod employed. We do not sead any lightning-rods to Europe. The best-protected building in New York, I think, is the new Union League Club House. The churches of St. Leo and St. Bernard are also well roddled. Senator Morrill died here eighteen nonths ago, His widow lives in a pleasant home on Winthrop street, this city. She is a lady evidently of great force of character, and was the valued associate, roulidante and helpmate of her distinguished husband both in the Executive Mansion of this State and during the many years of his residence at Washington as Senator and Secretary of the Treasury.

Mrs. Morrill was recently surprised receive from Ohio an official letter directed to her late husband. Open ng It she found it to be a very importunate appeal to Senator Morrill to visit Ohio and lend his aid in savlng the state to Mr. Blaine, Mrs. Morrill turned the sheet over and wrote on its back un indiguant reply and mailed forthwith to the gentleman who had signed the appeal.

To a question as to the Ohio letter, Mrs. Morrill suid
